## What it means to be a Registered RAD Teacher

As a registered Teacher of the Royal Academy of Dance, our training is ongoing, driven by London Head Quarters.

I recently attended the RAD teacher's course in Wellington, for continued professional development programmes, to remain registered. Refreshing and honing skills for the care of developing dancers.

## Staying Safe and Healthy

We are dedicated to ensuring that our dance activities are conducted in a safe and responsible manner. The health and well-being of our dancers is top priority. We will continue to adhere to all recommended guidelines and policies for safeguarding dancers, in the studio.

We are committed to maintaining an inclusive and supportive environment where everyone feels welcome and valued. Dance is for everyone, regardless of age, background, or skill level.

**Enjoy the Dance**
